

DECLARATION OF ORIGINALITY OF WRITTEN WORK*(Samples)**Written produced using the AI system***DECLARATION**

on the originality of the written work and the use of the AI system

I, the undersigned _____ (name) _____ (student ID number, Neptun code), being aware of my criminal liability, hereby declare that _____ the contents of my paper entitled are the results of my own independent work, I have used only the sources cited (literature, tools, etc.) and I have prepared my paper in accordance with the relevant regulations of the University of Pécs.

I also declare that in the course of preparing the paper, I used the following AI systems for the following purposes, with precise references to them in the paper, and that I have informed my supervisor of this:

<i>Name of the AI system</i>	<i>Purpose for which the AI system is used</i>
<i>Example 1: ChatGPT (OpenAI, GPT-4)</i>	Literature search, for an introductory outline
<i>Example 2: DeepL Translator</i>	Preparing a raw translation of foreign literature sources
<i>Example 3: Grammarly</i>	Correcting the style and spelling of my own writing

I further declare that I have informed myself about the capabilities and limitations of the AI systems used prior to their use;

I have used them in accordance with the relevant data protection, information security, copyright and other legal requirements; I have verified that the content generated by the AI system used is verifiable, and I am aware that, as the author of this work, I am responsible for all content contained in my writing.

I acknowledge that compliance with copyright rules and university rules on the use of AI systems may be verified by the University of Pécs through its AI and plagiarism detection system.

Pécs, _____ day _____ month _____ year

Student's signature

The student has informed me in advance about the use of the above mentioned AI systems.
